LB 845, 891, 1057, 1078A, 1106, 1117, 457  
LR 311

CLERK: Mr. President, a study resolution, LR 311, from Senator Rod Johnson and Senator Pappas calls for the study of the scope and adequacy of Nebraska's animal protection statutes.

Senator Hoagland would like to print amendments to LB 1057.

A new A bill, Mr. President, by Senator Kahle, LB 1078A. (Read title). LB 1106, 891 and 1117 are reported to Select File. Senator Hoagland would like to print amendments to 845.

Mr. President, Senator Beutler would move to amend LB 457.

SPEAKER NICHOL: Senator Beutler.

SENATOR BEUTLER: Mr. Speaker and members of the Legislature, with the Wesely amendment adopted you have now provided that somebody with just five years of service, just five years of service, can retire.

SPEAKER NICHOL: Excuse me, Senator Beutler, the Call is raised. Thank you.

SENATOR BEUTLER: Can retire at age 62 with just five years of service. If they retire at age 65, they need ten years of service, or they can retire at any time with 35 years of service. But it seems to me completely inappropriate to be able to retire with full benefits at the reduced age of 62 with only five years of service. So what my amendment would say is that if you want to retire at age 62, then you should have twenty years of service. If you are retiring at an older age, then lower it to ten years as provided in the bill. But the amendment makes that simple change saying that in order to retire at age 62, you should have twenty years of creditable service. I ask for adoption of the amendment.

SPEAKER NICHOL: Senator DeCamp.

SENATOR DECAMP: (No response.)
